

Remembrance Service

On Tuesday morning, the Senior School was joined by Yr 6 for our Remembrance Service. During the service, Yr 6 presented a wreath which the Chaplain placed on the First World War Memorial. As last year, the service in the Memorial

Hall was followed by laying further wreaths at the Second World War memorial on the pillars at the entrance gates. The congregation all regrouped outside the gates and Mrs Thorne and the cadets placed one wreath on each pillar.

Musical assembly

The Prep School and a large number of parents were entertained by our pupil musicians, who were ably

supported by their teachers! Many thanks to Mr Wrightson and Mrs Targett for providing us with such an enjoyable display of talent.

The Lucton Winter Ball

Saturday, 29th November

Live music by:

THE SULTANA BROTHERS

Black Tie.

Tickets: £35.00

The Friends of Lucton School

This week, all those interested in planning the future events attended a meeting in the Memorial Hall and we certainly heard some great suggestions. Watch out for some 'firsts' in the type of event we host in the summer term! Requests to the Friends from various departments in the school were also discussed and the allocations will be agreed in the next meeting, which takes place in January. We had a very successful and enjoyable meeting and we would encourage more parents to consider joining us on these occasions.

Quite a few tables for the Winter Ball have been booked, but there are still tickets and some tables available. This is always a marvellous event and this year, the live music is being provided by The Sultana Brothers. Please contact Mrs Bufton in the main office to ensure that tickets are allocated to you. It will also help Kim and the kitchen staff if you do this soon, as there is a menu choice and early notification would be appreciated.

As ever, Sarah would like to hear from anyone with suggestions, or with offers of help for any of our events. Please contact, Sarah Handley-Edgar on her mobile: 07967362246, or by e-mail: sez@bromyard43.fsnet.co.uk and if you leave a message and contact number, Sarah will get back to you. All parents are automatically members of the Friends and all offers of help are gratefully received.

Shoebboxes

Piles of shoeboxes wait in the Prep School to be transported to other countries where children will unwrap them at Christmas. Thanks to all who have sent them in, in the true spirit of Christmas!

From the Boarding House

It was a wet and windy weekend for the boarding house but despite the weather a great time was had by all. Friday evening saw the normal run to Morrisons to restock tuck boxes. On Saturday morning the younger Boarders went for a walk in the woods and collected sticks and leaves which were later used to make an autumn collage. On Saturday afternoon almost the entire house went to Worcester to watch the new James Bond film, *The Quantum of Solace*, and to do some shopping. Later in the evening we all enjoyed a Chinese takeaway followed by a movie night in the House. After a filling Sunday lunch the Boarders went to Oakerwood for some paintballing. The rain made visibility difficult and this resulted in some 'friendly fire' incidents but in spite of the damp weather a great time was had by all; Mr Ladds has the bruises to prove it! After Sunday tea, the Boarders finished off their prep and got ready for the week. All in all, it was a busy, wet and fun weekend.

Year 5 assembly on Children in Need

Mr Raven and Year 5 presented a super assembly this morning on Children in Need. They all gave details of how much they were loved by their families and how grateful they were for their excellent education here. A very poignant presentation of pictures then showed the wonderful facilities and grounds

here at Lucton contrasted with the very different circumstances of some children in need. Cakes were sold afterwards to raise money for this good cause.

SPORTS REPORT

U9 GIRLS HOCKEY - v St Richards. On Monday, the U9 Girls Hockey team played St. Richards at Bridge St., Leominster. The teams were well matched and even though it was a goalless draw, it was a very exciting game.

NORTH MIDLANDS RUGBY SQUAD - Lucton rugby players Tom Looms and Frank Kelly have been selected for the North Midlands Schools of Rugby Squad who will have regular training camps throughout the rugby season. Trials were held at Sixways, the home of Worcester Rugby over half term and players were then selected into the final squad. The next level to aspire to is the Elite Player Group and then hopefully after that to the Worcester Rugby Academy. Well done, boys!

SENIOR BASKETBALL - v Wrekin. The Senior Basketball team travelled to Wrekin this week. The first half was closely fought and at the break it was Wrekin 13, Lucton 10. Wrekin started the second half strongly and stretched their lead to 8 points. Lucton dug in and, under strong leadership from captain Abdul Godobe, came back to level the game with 1 minute to play. After a time out and a tactical discussion Lucton scored the final basket of the day and the final score was Lucton 26, Wrekin 24. This was an excellent victory which demonstrated incredible determination and all the squad played well.

U12 & U14 NETBALL - v Minster. The teams played against Minster and the girls played good, competitive netball and were unfortunate to lose. They never gave up and managed to get close on the Minster's score during the last quarter. Both teams will be in action again this Wednesday when they play against Wigmore and we look forward to all of them improving on this result.

NEXT WEEK'S FIXTURES

Wed Nov 19th: U11 Rugby v St Johns (H), 2.30pm

U14 Herefordshire School Rugby Final

Lucton v Aylestone at Hereford Rugby Club, 5.00pm
(will be back at school at 7.45pm)

U9 Girls 7-a-side Hockey Tournament at Bridge St, 2.00pm

Mixed Senior Badminton v Wrekin (A), 2.15pm

U12 & U14 Netball v Wigmore (A), 3.30pm
