## Pre-Prep trip to Queenswood

The Pre-Prep went to Queenswood last Thursday for a winter walk. Everyone enjoyed trudging through

the sticky mud. Great fun was had by all and we were all very fortunate as we just missed the rain!

## The Friends of Lucton School

THE DATE ON LAST WEEK'S ADVERT FOR CLAY PIGEON SHOOT WAS WRONG - CORRECT DATE IS AS DISPLAYED THIS WEEK!

Teams are welcome for this event, which, of course, takes place on Sunday 1st March, and we have enjoyed some excellent competition on previous occasions. If you are interested, please leave your details with the main school office and Mr Russell will get back to you.

Mrs Dalziel is putting a team together for a lavish fashion show by Wisteria Lane, which will take place on the 25th March. She is looking for staff, parents and pupils to help with dressing, make-up and modelling.

Please contact the office if you would like to join the 100 Club.

## Normandy trip

All year 7 and 8 pupils should have received a letter about this trip, planned for this June. Encouragingly, 12 of the 16 replies so far have been positive, but as stated in the letter, we need 24 participants in order to make the visit viable. Please reply, using the slip at the bottom of the letter (positive or negative), so that I know exactly where we stand. If you need another letter, please see me as soon as possible. Please consider the benefits of our study trip, from both the cultural and the linguistic points of view! You will enjoy it and practise your French!

*Mr Jones*

## From the Boarding House

It was a wet and windy weekend at Lucton. The boarders braved the elements to stock up on tuck at Morrisons on Friday night. Also on Friday, we were joined by some of the CCF, taking part in their BTEC course over the weekend.

On Saturday, following an excellent cooked breakfast, the boarders travelled to Telford for some shopping. Those who stayed in the House enjoyed a refreshing dip in the pool. Saturday night was movie night; Mr Ladds particularly enjoyed the action scenes in 'Transformers, The Movie'!

After a late breakfast on Sunday, the boarders enjoyed another swim followed by an excellent roast lunch. In the afternoon there was a trip to The Hickory Stick for some ten pin bowling, well done to Joseph, Archie, Callum and Abdul who all achieved great scores. A special mention must go to Bill the Gap, who was the overall winner; well done!

All in all, it was a busy and fun-packed weekend.

## The flying gymnast

Arianne in Year 4, is certainly flying high with her gymnastics and last term, she won two bronze medals when competing in the Herefordshire & Worcestershire county championships, one for the vault and one for her overall score. Arianne now competes in Level 5 competitions and because of the school cut-off date, is one of the youngest children in her age group.

## SPORTS REPORT

**SENIOR FOOTBALL** - v Bedstone. The senior football squad travelled to Bedstone this week. The game started with a flurry of action and we missed the back of the net by inches with the first shot of the game. Bedstone came back and as a result of a defensive error went one up. Before the half time whistle Bedstone scored a second to go into the break two up. Lucton made a better start to the second half and had the majority of the possession. Joe Griffiths scored Lucton's first goal, followed by a second and a third four minutes later, both scored by Anthony Yu. Bedstone were able to equalise and despite some hard work in the last minutes of the game the final whistle blew with the score 3-3. Special mention must go to Anthony Yu for two well-struck goals, to Ashkan Massoudi for tireless work as the central defender and to Owen Morgan for a last-minute dive worthy of an Oscar. All round, an excellent, entertaining match; well done boys!

**U13 FOOTBALL** - v Moffats. The U13 boys played a good game and this week, we were not so reliant on the keeper to deliver the result. With most of the possession, the 5 - 1 win was a fair reflection of an exciting match.

**U16 RUGBY** - v Heathfield. As the senior football match at Bedstone clashed, we needed quite a few U14 players to make up this team and we were over-run by a significantly heavier side. Even so, there were some great moments, including a try from U14 player, Henry Llewellyn. The U14 players are looking forward to next week's match against an U14 side at Heathfield when we hope to turn the tables.

**U11 NETBALL** - v St Richards. The girls all played really well in very cold conditions. Our defence played exceptionally well, keeping the ball mainly in the centre of the court, but the opposition's shooting got the better of us.

**U14 NETBALL** - v Tenbury. The girls were slow off the mark, but then got back into the swing of the game, becoming very evenly matched, winning the last quarter. Well done, girls!
