

The Old Luctonians Annual Reunion Dinner

Last Saturday night, the school hosted the Old Luctonians Association Annual Dinner and as usual, Mrs Thorne addressed the gathering. This year's guest speaker, was Old Luctonian, Bill Jackson, who gave an excellent speech which focused on the great technological changes the school has embraced, connecting Lucton so effectively with the rest of the world.

Year 6 re-visit the Prep School

Year 6 went back to the Prep School last Friday, to present an assembly in which they all considered which career path they intended to follow. It was interesting to see the diverse interests of the pupils.

The Friends of Lucton School

Thank you to everyone who attended the planning meeting on Thursday 19th November, when we finalised plans for the Christmas Fair and next term's events. We also had an update on the Murder Mystery evening on the 5th December. At the moment, we look like being a hundred strong for the event, but there are still spaces available. This looks set to be a most exceptional evening, with stylish three-course catering by Kim and his crew, a team of actors providing the murder mystery and music until 1.00am. The theme is 1920s and we will be on board the liner SS Pierrepont, for her maiden voyage. For tickets please visit the event website below, or call Julia on 01885 482154 & Sarah 07967 362246. www.sspierrepont.moonfruit.com

Next term, events include a Race Night on February 5th and a Clay Pigeon shoot in March. Please look out for further information.

If you would like to become more involved in any Friends' activities, please contact, Sarah Handley-Edgar on her mobile: 07967362246, or by e-mail: sez@bromyard43.fsnet.co.uk with your contact details and Sarah will get back to you.

E-mail issues

Since all parents have been sent their copies of the Lucton News electronically, we have discovered that the school has some out of date e-mail addresses. Please ensure that you keep us informed whenever your e-mail address changes.

Pre Prep visit to Queenswood

Last week, the rain stopped and the Pre Prep enjoyed a lovely autumn walk at Queenswood.

All the children, and some of the adults had fun playing in the leaves and looking at the autumn colours. As always, many thanks to all our parent helpers.

Thanks from Matron

We appear to be passing the peak of the disruption caused by the nasty virus and the numbers suffering are significantly down at the end of this week. Matron would like to thank parents for their continued cooperation, in keeping children at home if there are the least signs of them feeling unwell.

Non-parents and Old Luctonians who wish to ensure they receive a pdf of the Lucton News every week, need to e-mail news@luctonschool.org

Busy exam week

Last week saw many pupils from both the Prep and the Senior School take their LAMDA exams. A number of senior pupils in Years 10 and 11 were also involved in GCSE exams. English and Mathematics modules were taken and the candidates appreciated the consideration of other students during their exams.

From the Boarding House

We had an emptier house than normal this weekend, so the order of the weekend was 'peace and quiet'. After a lazy Saturday morning, some of the Boarders took a journey into Hereford for a shopping trip. In the evening, we visited Leominster to attend 'roller skating'. After skating we went to pick up a Chinese for tea. Sunday followed a similar theme and the Boarders spent the day swimming and watching movies.

SPORTS REPORT

The girls' fixtures this week were all cancelled due to the weather.

U11 RUGBY – s. Moor Park (A). Both the year 5 and year 6 boys have begun to gel as a team and as such they are beginning to play with pace and finesse. We did not win, but the team put in a solid performance. Harvey Evans had an excellent game and scored two tries. Thomas Williams also had an outstanding game.

U16 FOOTBALL – vs. Heathfield (A). This was a closely contested game until the last 15 minutes when we fell behind. Joe led the team well and scored two excellent goals. We have great hopes for the team in the future.
