

Prep School's garden

Last weekend, a Prep School parent team achieved phase one of the Garden Project, sponsored by The Friends, the School and the OLA.

The transformation was nothing short of miraculous. We now have a fenced-off area enclosing three raised beds, a chicken run, egloo and garden shed.

Enormous thanks to Jane Mayglothing for planning it all and to her team:- Jonathan Mayglothing, Steve Woodfield, Paul Suter and Phil and Jane Marron. Three chickens have arrived thanks to parent Robin Finlay and we eggspect phase two's plans are already well laid!

CCF presentations on Friday

Last Friday, Mrs Thorne attended the CCF parade to present various certificates, including many for cadets who had completed their Heartstart training.

Lucton cadets gave up their morning last Sunday to help out at the first Shobdon Fun Run. The cadets were asked to take charge of several checkpoints along the route and the organisers were very pleased with their smart turnout and numerous people commented on their excellent behaviour. The event raised money for the Army Benevolent Fund and the route ran through the beautiful countryside surrounding the airfield. The cadets were real ambassadors for our parent regiment 'The Rifles', for the cadet force and, of course, for the School.

Whole school photo next Tuesday

A reminder to all parts of the school, including the Nursery, that this year's whole school photo will take place on Tuesday the 18th, in the morning.

Russian visitors leave this week

Having made an excellent impact at Lucton School, as well as many friends, we must say goodbye to our visitors on Saturday morning.

From the Boarding House

Saturday's activity was mountain boarding at Court Farm. Even though it was rather cold and wet everyone came back buzzing about how awesome it was. They all enjoyed it so much that we have rebooked later this term. Apparently, everyone took to it like ducks to water and the instructors were very impressed with the skills on display. On Saturday evening, after a fun swim, many boarders settled down to watch TV. By Sunday morning, the mountain boarders were feeling muscles they didn't know they had and comparing bruises! Those who could still move went shopping in Hereford and then had another fun swim before tidying the house and preparing for another busy week at school. Of course, in between all of the exciting activities boarders were revising hard for their forthcoming exams.

The Gruffalo

On Wednesday morning, Transition, Reception and Years 1 and 2 enjoyed a live production of The Gruffalo at the Courtyard Theatre, Hereford.

The photo shows some of the children with the Gruffalo masks they made.

A very PC meeting

On Thursday morning Transition and Reception were very lucky to be visited by PC Wilson. They had a super time finding out about the role of the police, trying on the uniform and exploring her police van.

SPORTS REPORT

ATHLETICS RELAYS – vs Wrekin, Adams Grammar School & Shrewsbury. We competed well against three strong athletics schools in a series of relays – 4x100m, 4x200m, 4x400m, 4x800m and a medley relay. Mr Cowley was impressed by the attitude and potential of the young squad.

U14 CRICKET – vs Whitecross. The U14 team are certainly improving at a great rate, recording a comprehensive win against Whitecross. The opposition batted first and within 7 overs, we had bowled them out for 22. Frank Kelly took 4-0 and John Kelly took 3-0 and other wickets went to Will Russell and Connor McLauchlan. Openers Frank Kelly and James Miles took less than 4 overs to pass the target and secure a 10 wicket victory. The bowlers showed how important it is to bowl straight as every single wicket gained was clean bowled. Well done, boys!

U11 CRICKET – vs St Richards. The U11 team's first game of the season proved to be a close affair, with all but two of our players from Year 5 playing a year up. St Richards batted first and scored 58-7 in their 20 overs. George Bouston was the pick of the bowlers with figures of 3-1 and Morris Mackley also took a very good catch. In return Lucton finished on 54-9 after 20 overs with Athan Athanasiou top scoring with 9, sadly we could not find the final 5 runs to win the game but considering it was many pupils' first ever hardball match, this was a very good effort.

U15 & U18 ROUNDERS – vs Bedstone. Both these matches had to be abandoned due to bad weather, but we then played a very enjoyable game of indoor rounders and won that match by one rounder. Well done, girls!

U13 ROUNDERS – vs St Richards. Our younger girls had a much tougher match, which they lost, though they certainly were not lacking in effort.
