

GCSE Art exhibition

The Memorial Hall has been transformed by Mrs Painter to accommodate this year's GCSE artwork. It really is impressive and the exam board moderator will be in school today to look at the artwork. Our photo is only able to show a fraction of the work on display, so if you're quick, it is worth a visit.

Lucton rules the road

Congratulations to our Year 6 pupils, who completed their Cycling Proficiency course in the week before half term. Led by Mike Kemp from the Herefordshire County Council Road Safety Unit, the course included both on- and off-road training, and ended with a road test and a written paper. All the pupils passed with flying colours and the Lucton cohort was described by Mr Kemp as the best group he's yet coached; well done to them all!

The Friends of Lucton School

We look forward to seeing as many parents as possible at the Friends' meeting next Wednesday, 16th June. It takes place in the Memorial Hall from 7.30pm and everyone is welcome. There is much to do with regard to the Summer Fete, which takes place on Friday 2nd July and any offers to help will be gratefully received. It would be wonderful if the weather is as good as it was for the barbecue before half term.

If you would like to become more involved in any Friends' activities, please contact, Sarah Handley-Edgar on her mobile: 07967362246, or by e-mail: sez@bromyard43.fsnet.co.uk

At the same time, why not ask at the office for more information on The 100 Club.

Red Ridge news

Next week, we shall have a full report with photos available, but Mr Cowley has phoned in to say that everything has gone very well, apart from Merrilyn's (the Gap) twisted ankle. Canoeing, climbing, caving and abseiling are just some of the various activities that Year 6 are experiencing this week.

Thanks to the Chaplain and Mr Edwards for the family service last Sunday, after the boarders had returned from half-term.

Lucton School Development Plan

As parents are aware, we have often asked for questionnaires to be completed by both pupils and parents. At a recent Governor and Senior Management Planning Day, it was suggested that we should again canvass the parents' opinions, to ensure that your views are fully incorporated in the school's future planning.

An electronic questionnaire has been sent to all parents today with the Lucton News. Please would parents complete the

From the Boarding House Congratulations to Mr & Mrs Howard!

All the boarders made it back from the half-term break to the news that Mrs Howard's twins have arrived. We are still looking forward to greeting the two girls, Poppy and Ava, at Lucton when they come home from Hereford Hospital. *(photos to follow)* The exam season is well and truly under way and the boarders' prep time is being well used. Good luck to everyone with their exam results!

We have some new overseas visitors joining us for the next few weeks and the boarding houses are creaking at the seams. They have gone on a visit to Oxford this week and everyone is looking forward to the trip to Alton Towers with Mr Howard this weekend.

ISA JUNIORS

The Prep School team all had a good day although the weather was very cold. We had some good results, Jack Musto is reserve for the National championships in the Cricket Ball throw with just over 37m, Craig Whittall was 4th in the Long jump, George Bouston 4th in the high jump, Ben Davies 7th in the 75m, and Alice Walton-Prince was 5th in the 600m. There were 26 other schools competing so it was a huge event for the children.

U12 ROUNDERS – vs Lady Hawkins – Our girls played well in a fairly even contest and we were behind by just two rounders when the match had to be abandoned because of rain.
