Eardisley										
Woonton										

We will try to be flexible. If none of the above stops are convenient but you live on the route, please contact the school as soon as possible to see if we can accommodate your requirements.

### BOOKING TERMS AND CONDITIONS

The school's own minibuses transport pupils to and from the school on a daily basis from a wide range of destinations. From time to time we may need to use an alternative bus driver from your child's usual driver. We only use drivers who are reliable, have been DBS checked and work for Lucton School in some capacity. These substitutions are only made when absolutely necessary and we reserve the right to make such changes without additional notice.

Places on the bus are booked on a termly basis in advance and the charge is placed on the school bill. **Please note that a full half of a term's notice in writing is required to cancel a booked place on the bus.** Cancellation of a booking must be given to the Finance Department in the first instance. Failure to give adequate notice will result in the equivalent of a **half term** charges billed in lieu of notice.

Spaces on each route are obviously limited. Priority will be given to parents requiring a return journey 5 days a week. The next priority is given to parents wanting a minimum of 5 single journeys per week (e.g. every morning). Usage for less than 5 days in any week will be charged on a pro rata basis. It is possible for students to book the bus on an incidental basis, if there is space available. **Please telephone the School Office to make such a booking.**

All pick up/drop off times are approximate as traffic conditions obviously have an impact, so students should be at the pick-up point 5 minutes before the stated times and parents likewise at stated drop off times. Other stops along each route will also be considered on an individual basis. All requests should be made through the School Office on 01568 782000.
