

Lucton Bulletin

September 17th
2021

It has been another great week, in which I've enjoyed seeing pupils take advantage of the full range of opportunities on offer here.

We have had RAF cadets flying helicopters and representing the school superbly in a service at Hereford Cathedral marking the centenary of the Royal British Legion and the 81st anniversary of the Battle of Britain; we have had some terrific sporting performances, including our U16 Boys coming runners-up in an ISA Football tournament; and hopefully our busy students have still found time to do some hard work academically too.

I hope that you like this new weekly bulletin format and that it proves to be an easy way for you to keep up with our most important news and notices. Please feel free to follow and support us on social media too, and I would also be grateful if you are able to find a few minutes to complete the parental survey that I wrote to you about yesterday.

Thank you for your continued support and have a good weekend.

Mr Tyler
Headmaster

Boarding News

I can't believe we are already three weeks into term, the days are just flying by!

Students have really settled into the boarding houses now and we have been making the most of the warm evenings with lots of sporting activity after prep is finished.

Saturday's 10 pin bowling trip was hotly contested, with Eno scoring 122, though Mr Rogers beat her to the winning post with 136 - I'm sure you'll get him next time, Eno!

We have also celebrated sporting success with some of our boarders taking part in the U16's ISA Football tournament this week. Perhaps their "secret training game" with Mr Leonard and Mr Bird after prep helped...

This Saturday we are heading to Chester Zoo, whilst on Sunday, Lucton's chefs are hoping to have help in our orchard, apple picking!
