Scholarships at Lucton School

**Year 7 & Year 9
January 2022**

From the Head

Lucton is a thriving independent day and boarding school set within the idyllic Herefordshire countryside.

We build upon our 300-year heritage and traditions to offer a stimulating and forward-looking environment; providing an exciting setting for young people to flourish, both academically and socially.

We have a long history of welcoming Day students from schools throughout the local area, in addition to international boarders who join us from a wide variety of countries throughout the world. It is this diversity that makes Lucton such a special, unique and rewarding place to study. Every year, to further encourage this

diversity, we offer a comprehensive Scholarship Assessment Programme designed to recognise and reward talented students in a range of areas, including Art, Drama, Music, Sport, and Academics, and we encourage Year 6 & Year 8 students from all schools to take part.

Many factors are considered when awarding a scholarship, including school reports and grades, and a notable enthusiasm for learning. We are justly proud of our reputation for nurturing individuality and, as such, hobbies and interests, including sporting achievements, performances, and all manner of extra-curricular activities and accolades, will also be noted.

“We are justly proud of our reputation for nurturing individuality”

In addition, applicants must also demonstrate a history of excellent behaviour and good character, and a commitment to continue these qualities.

In return, students will join a friendly, proud community; an environment which will challenge and inspire them to achieve their very best, and provide them with a confidence that will aid them throughout their life.
