Updates & Reminders

Parents' Evening: Year 11 & 13

Please note that our Year 11 & 13 Parents' Evening will be held on Thursday 27th January from 5.10pm.

Not only is it a chance to discuss mock exam performance, but it is also an ideal opportunity to talk through option choices for Year 11.

Scholarship Applications Year 9 & Sixth Form

We would like to remind all current Year 8 students interested in applying for a scholarship that the deadline to register is Thursday 27th January. For those interested in a Sixth Form scholarship, please visit our [website](#) for more information or contact admissions@luctonschool.org

COVID-19 Update

As per the government announcement this week, it is no longer recommended for students to wear masks in classrooms; however, students in Year 7 and above should still wear them in communal areas until next Thursday.

Please note that this advice could change should we receive different advice from the Herefordshire Outbreak Control Hub based on our own case numbers.

Boarding News

We've had another jam packed week in the Boarding Houses!

This week our Year 11 students enjoyed donning their suits for a Sixth Form Taster Day, experiencing all that our Sixth Form has to offer. This was topped off nicely by a wonderful Sixth Form Dinner.

I love seeing the students transform into stylish young men and women on these occasions, and I know that everyone really enjoyed the wonderful food and ambience of our beautiful Queen Anne dining room in all its glory.

Last weekend, the boarders had the opportunity to visit "The Wave" in Coventry. The students had a great time at the indoor waterpark and trialed all that was on offer, including: a float along the lazy river, bobbing on the wave machine and cascading down the various slides.

The trip was hugely enjoyed by all and clearly required a lot of energy as many of the boarders snoozed all the way back to Lucton!

Mrs Webb-Rogers Head of Boarding

Well done to all of our Year 11 and Year 13 students, who are now finally through their mock exams after diligently tackling them over the last fortnight.

I hope that our Year 11 students also enjoyed their Sixth Form Taster Day and I wish them the best of luck as they now begin the difficult process of making their option choices.

At the younger end of the school, I enjoyed giving my biweekly Prep School assembly about Martin Luther King on Wednesday. While I can't promise that the students enjoyed it as much as I did, it was certainly interesting to hear of their hopes and dreams. Not all were as noble as MLK's dream for racial equality, but I was most impressed to hear of dreams like Genevieve's to start a website design company – great to see such entrepreneurial spirit at Lucton!

Next week is another busy one and I look forward to seeing some of you for the Year 11 and Year 13 Parents' Evening on Thursday.

**Mr Tyler
Headmaster**
