

Lucton Bulletin

January 28th
2022

It has been a very busy week, but great to have so much going on given all of the challenges of Covid.

Our Middle and Senior School students had their first assembly of the term together to commemorate Holocaust Memorial Day, and well done to Miss Cockburn's Year 6 students for leading it. It was also really good to see so many talented students in our Year 7 Scholarship Week, while I've been similarly impressed by our students' efforts in the ongoing Middle School Enterprise Showcase – even if I was a touch disappointed to find out that they had only been asking me about what cakes and gifts I would like for market research purposes.

Our Year 11 and 13 students had another Parents' Evening to discuss their mock exam results, while Year 11 also have the added dilemma of deciding their A-level options. It's a tough period for those in exam years, but I hope they will make the most of these next few months in order to reap the rewards for years to come.

With all of the above going on, and lots more besides, I hope that everybody has a restful weekend.

Mr Tyler
Headmaster

Updates & Reminders

Covid Update

As I am sure you are aware, the government has now relaxed Covid restrictions further and students are no longer required to wear masks around school. However, they should continue to wear them on school transport, unless they are exempt.

Please also be aware that we will be going back to the normal use of changing rooms and, to that end, everyone should be coming to school in full winter school uniform from Monday. Please remind your children to ensure that they bring the correct kit to school to change into for their relevant activities.

A Level Options Deadline

We would like to remind all parents of Year 11 students that A Level Options are due in on Monday 31st January.

Sixth Form Scholarship Applications

We would like to remind all current Year 11 students who are interested in applying for a scholarship to the Sixth Form, to apply soon to avoid disappointment.

For more information, please visit our [website](#) for more information or contact admissions@luctonschool.org

Boarding News

I can't believe we are already four weeks into term; the days are just flying by!

Last Saturday's boarding trip to The Grove for 10 pin bowling was hotly contested, with Sofia bowling her usual winning score. The trip was quieter than usual, with some boarders involved in CCF, whilst Nahia and Josh attended the Hereford and Worcester County Cross Country Championship.

This weekend, we are visiting Worcester; fitting in some shopping and a trip to the cinema for the younger students. Sunday morning will be an early start for some of our girls, leaving the house at 6.30am for the West Midlands netball championship- good luck, girls!

Finally, I would like to politely remind you that the boarding house must be made aware of half term travel and accommodation arrangements, no later than Friday 4th February.

If your child can't travel home or to a guardian, we may be able to accommodate them in school. If you would like to consider this option please [email](#) us asap.

This half term ends at 5 o'clock on Friday 11th February and the boarding house will close by 7pm that evening.

Mrs Webb-Rogers
Head of Boarding
