

# Lucton Bulletin

February 4th  
2022

**This week has flown by, which is a great sign that we're getting back to our usual busy calendar – at least while Covid permits.**

We have had all sorts going on: the return of Monday morning assemblies; the submission of A Level options; some brilliant victories in sport; and a particularly exciting visit to Hereford Racecourse for Years 4 and 5. They went to put their Maths skills into practice as part of the 'Racing to Schools' programme, and ended up being on Sky TV and meeting Sky commentator Mick Fitzgerald (see *photo bottom right*).

Finally, well done to all of our students who have had their LAMDA exams this week. I know a lot of hard work has gone into preparing for them, and Mr Bicker-Caarten tells me that the Prep School has been full of 'Exams' and 'Silence' signs as many students have 'enjoyed' their first taste of public exams.

I hope that everyone can now relax over the weekend, before we break for half-term in a week's time.

## Boarding News

**What a wonderful week it has been, celebrating Chinese New Year as well as a number of our boarders' birthdays.**

Last weekend, the boarders took a trip to Worcester, where the younger students enjoyed a cinema trip to watch 'Sing 2', which had only been released the day before. Along with popcorn and drinks, it was thoroughly enjoyed by all. The older students had fun wandering around Worcester, shopping and enjoying lunch together; it was lovely to see some of the Sixth Form students join the trip too.

Sunday was a relaxed day in the house, watching TV and playing table tennis, to name a few activities.

Chinese New Year, the year of the Tiger, was celebrated on Tuesday with food, decorations and music. The dining team did a great job to give us a lovely evening.

On Thursday, we celebrated Gwendolin and Asier's birthdays with a cake made by Tracey from the dining room.
