

# Lucton Bulletin

April 29th  
2022

**I hope that you had a good Easter. It has been great to see everybody back at school this week.**

It has been particularly good to welcome a number of new students, including a group of 19 who are joining us from Thailand for three weeks. It is wonderful to have them here, and equally wonderful to see how our students have gone out of their way to make them feel welcome; the Lucton community at its best.

The focus for some is on exams this term, but there has still been a lot going on in our first week back. In the course of one afternoon on Wednesday, I went from watching some of our Sixth Form students give superb EPQ presentations, to watching a whole variety of different sports, to encountering Mrs Chapman leading a merry band of Prep School students into the woods with a large saw (I think/hope for Forest School purposes). Fantastic to see such a variety of activities.

Next week sees our Open Day on Bank Holiday Monday, so I hope that you can enjoy some peace and quiet at home that day.

## Boarding News

**Well, Summer term is already upon us, and there's been a real buzz to the boarding houses this week!**

It's always lovely when students return after the holidays, and this term feels extra special as we have a number of new students joining us. Colas is French and joining Year 10; Michael, from Hong Kong, joins Year 9; Asylay, from Latvia, joins Year 12; and we are also hosting a party of 19 Thai students in Years 8 and 9.

All students are already settling in and making friends, and the lighter evenings mean we can really take advantage of our wonderful fields and sport facilities after prep; there have been some fiercely fought table tennis games and lots of football this week!

We have some excellent weekend activities planned for them this term – kicking off with a trip to beautiful Chester this Saturday. Let's hope the fine weather persists!
