

# Lucton Bulletin

May 13th  
2022

**Time is flying by this term and it hardly seems possible that half-term is just two weeks away.**

They do say that time flies when you're having fun, and I hope that will have been the case for our Year 5 students on their trip to Red Ridge this week. Our Year 8 students also had a fantastic Maths trip to Worcester Race Course on Wednesday. Our Year 11 students have probably not had quite so much fun doing more exams, but we continue to wish them all the best.

It will be sad to say goodbye this week to our group of 19 students visiting from Thailand. They have made a very positive impression on our community with their friendliness, politeness and good humour, and we thank them for all of their contributions in their short time here.

As ever, next week is another busy one, and I hope that everybody enjoys a restful weekend in the meantime.

**Mr Tyler**  
**Headmaster**

## Updates & Reminders

### Whole School Mufti-Day

Tuesday 17th May will be a whole school mufti-day. All students, from Transition to Sixth Form, should bring £2 in order to participate. Clothes should be suitable for the school environment.

### Pre-Loved Uniform

If you have any unwanted items of school uniform, that is in good condition and you would like to donate it to the Friends of Lucton, please drop it off at either the Main School or Prep School reception, between 6th - 17th June. Items will be available to buy at the Summer Fete, with all proceeds going to the Friends.

### Summer Fete - Save the Date

We are delighted to confirm that we will be combining our Jubilee Celebrations with the annual Summer Fete, which will take place at Lucton on 1st July. More details to follow.

### Speech Day

Plans are underway for this year's Speech Day, which will see us return to Leominster Priory on 24th June. Full information will be shared in due course, but for those planning ahead, doors will open from 1.30pm, with proceedings starting at 2pm.

## Boarding News

**We had a jam packed weekend of trips and activities, and some glorious sunshine to go with it!**

On Saturday we took the younger boarders to Flip Out in Hereford, accompanied by some of the Year 11's and Sixth Form who chose to go into Hereford for a slightly more subdued few hours of shopping and eating, whilst others stayed home to focus revision for upcoming exams. On Saturday evening, we opened up the pool for a fun swim, and the table tennis tables were also in use.

On Sunday, our Thai students visited Worcester for some souvenir shopping, ahead of their last week at Lucton. It has been a pleasure to have them in boarding, and we will miss them, as the house has had a real buzz since they arrived.

The lighter evenings have meant plenty of sport on the tennis courts and field after prep. On Wednesday, the fun was inside in a tightly fought table tennis competition, which all students were keen to take part in. We finished prep a little early and all congregated in the games room for a pot luck draw. The noise, cheering and all-round competitive good humour was such a joy to see, and the final between Lola and Warat was better than the Wimbledon final. These evenings are exactly why I love living with teenagers!
