

Lucton Bulletin

July 1st
2022

It was great to see the Priory so packed for Speech Day last week, and many thanks for all of your support in making for such a wonderful occasion to celebrate our students' achievements over the past year.

The achievements have continued this week, with several noteworthy events. On Monday, our U13 Boys did brilliantly to win the County Cricket Plate Final. Not to be outdone, our musicians put together a very enjoyable Picnic Concert on Monday evening. Tuesday saw an RAF trip to St Athan, where students got to sail, fly and swim in the sea (rather than me). Wednesday was marked by two outstanding Prep School performances of 'Shakespeare Rocks', which left me in awe of our talented students and staff.

As I write this on a Thursday, we still have our Jubilee Day to look forward to tomorrow, which should be a lot of fun. After that, our Duke of Edinburgh expeditionists depart, and some of our OLA alumni will return to Lucton for a cricket match on Sunday. And then we get into next week and the Year 11 Dinner, the Middle School Production of 'The Wizard of Oz', and the Middle and Senior School Sports Day - no chance of winding

down towards the end of term here at Lucton.

I will also be writing to you next week with my end of year letter. Please have a good weekend in the meantime.

Jon Tyler
Headmaster

Updates & Reminders

Middle School Production

The Middle School production of the Wizard of Oz is on next week, Tues 5th and Weds 6th July at 7pm in the Upper Hall. To secure your free tickets, please complete this short online [form](#) or alternatively, ring the office and reserve the number of required seats. See you there!

Sports Day

This year's Middle, Senior and Sixth Form Sports Day will take place on the last day of term, Thursday 7th July. The first event starts at 1.30pm, and parents are welcome to join us for the afternoon and enjoy the end of term event.

Summer Holidays

The last day of term is Thursday 7th July, with boarders departing on Friday 8th July. Please ensure that your child brings home all of their belongings on, or before, the last day of term.

Boarding News

What a fortnight we have had!

Last week, we welcomed a group of 30 pupils from one of our Alpha family schools, Moor Allerton, to share our boarding house. The Year 5 pupils and their teachers stayed with us whilst they enjoyed activities in the beautiful Herefordshire countryside, which is so different from Manchester! The pupils were an absolute delight, and we would welcome them back any time.

Boarders have also visited Gloucester Quays, and been to the cinema to watch Jurassic World, whilst many others have been involved in sports fixtures and rehearsals for the Middle School play. Now we are making the most of the glorious weather, playing rounders, tennis and football on the school fields, and looking forward to the boarders' BBQ this weekend. With moving up and induction days, a visiting school, the last of the external exams, Speech day and the Summer Fete, these last couple of weeks have been quite exhausting. Let's hope for some time to relax a little on the weekend, ahead of the final push to the end of term!

On a final note, if parents of boarders could contact either myself or the school admin team with travel details for the end of term we would be grateful, as we are finalising the transport arrangements. Many thanks!

Tracey Webb-Rogers
Head of Boarding
