FEES - The current fees and charges which are shown on a separate sheet form part of these terms and conditions. Fees are charged in full, payable no later than 4 weeks before the course start date. Late payment charges will apply to fees outstanding. Should the fees remain unpaid by the course start date, students will not be allowed to join the course until the overdue fees are paid.

REGISTRATION FEE - There is no registration fee required for Day camp students. For international summer school students, there is a non-refundable registration fee of £50 charged for each boarding student. The amount should accompany the completed registration form.

DEPOSIT - There is no deposit required for Day camp students, as payment for sessions is required in full in advance of the courses. For international summer students, there is a £500 deposit payable, which will be taken off the balance of the full fees. In the event that the student doesn't take up the place, this deposit is forfeit.

PAYMENT DETAILS - All cheques should be payable to Lucton School. Lloyds Bank, 9 Corn Square, Leominster, HR6 8LT.

VISA REQUIREMENTS - For international students requiring a visa for the summer course, parents will be directed to Holmes & Partners who will arrange visas for Lucton students, with the fee invoiced by Lucton school. EU students who do not require a visa, still have to provide a copy of their passport prior to having their place confirmed.

PRIVATE TUITION AND EXTRAS - Fees for any individual or specialist tuition such as ballet, horse riding, tennis or extra English will be charged as 'extras' and will be invoiced where possible in advance or otherwise at the end of the term. Public exam fees are also an additional charge.

ABSENCE - Parents are asked to notify the school immediately either by telephone or in writing as to the reason for any absence. It should be noted that the full fees are payable whether or not the pupil is in attendance and the Governors cannot consider any application for refund of fees in case of absence.

CODE OF CONDUCT - Pupils are required to abide by the school's Code of Conduct and the school expects the full support of parents regarding the implementation of school rules. Please note that this does not remove your right to use the school's complaints procedure in exceptional circumstances, where you feel that your child's treatment is not appropriate.
